

Personalized Tutoring for Every Learner

*At Kaysha's House Tutoring Inc., we provide high-quality, individualized academic support designed to help students build confidence, strengthen skills, and reach their full potential. With a team of experienced, passionate tutors—and the option to work directly with me—we proudly support learners from **Kindergarten through Grade 12**.*

Our Services

We offer 1-to-1 in-person and virtual tutoring in a wide range of subjects, including:

- ***French Immersion (K-12)***
- ***Language Arts (K-12)***
- ***Mathematics (Grades 1–10)***

Whether your child needs ongoing support, enrichment, or help building foundational skills, our team is equipped to meet their needs.

Where We Tutor

To ensure flexibility and accessibility, we offer several location options:

- **St. Thomas Public Library**
- **Student homes (for families located in St. Thomas)**
- **My home office (for students working directly with me)**

Why Families Choose Us

Our tutors are experienced educators who understand curriculum expectations, learning differences, and the importance of building strong academic habits. We focus on creating a supportive, encouraging environment where students feel motivated and capable.
